### From the President...

The fantastic "2019 Walden Follies" have come and gone. What a wonderful time was had by the performers and guests alike. The well received show was simply over the top. There were 25 new members which brought in many new creative original acts. What a time it was.

Now on a different note, the Nominating Committee for our 2019-2020 president has been established. The committee includes: Jackie Davis (past Women of the Year, and as of 03/03/2019 she and her husband Christopher are co-recipients of The Charlie Award); Chris

Brock (past president of L.A.W. 2007-2008); Bert

Abramson (29 year L.A.W. member). These ladies will meet to discuss Board Officers for next year. I am pleased and honored to have them step up and except this position.

And, congratulations to Kathy and Jud Schleper for also receiving The Charlie Award as there was a tie this year. Great job guys.

Rita Hinds, our Vice President, has another Fun Fashion Show planned for our next luncheon. Stein Mart will be showing us the newest fashions for Spring.

Well ladies, that's all for now. Looking forward to seeing you April 5 th .

# Social Bites

Mark Twain once said "In Spring, I have counted 136 kinds of weather inside of twenty-four hours". He must

have been in Texas at the time. Betting on a little spring weather, the Social Bites recipe group ventured west about 45 minutes to Martha's Bloomers on Hwy. 6. They lunched at Café M. Bloomers, an indoor and outdoor Garden Café that serves up a menu of delicious soups, delectable sandwiches, fresh garden salads, tempting desserts, specialty teas and more.

Current group members, Dorothy Lauw, Jackie St. Cyr, and myself, reunited with former members Joanne Berridge and Jeannette Santoski, both of whom were former long-time Walden residents. Joanne is now living in College Station while

Jeannette is residing in Port Edward, Wisconsin. After catching up on all the Walden happenings while enjoying fabulous

quiche dishes, the group headed out into the garden and gift shop areas. I selected a couple of healthy tomato plants while Joanne purchase two lovely closet plants to liven up her condo. If you are in the market for a unique eatery, unique gifts or nice plantings take a drive out 105 and check out Martha's.

Social Bites will meet at Norma Reed's on Tuesday, April 9th for a "Spring Fling" lunch.

## Matinee Mamas

With Diane Burris out of town with your mother, Sheryl Triggs led the group to Chili's on 1488. It was a good choice for everyone's different tastes. The movie everyone saw was Green Book. Everybody loved it and could understand why it won best movie at the Oscars and best supporting actor award.

The Oscar party was not very successful as many people were involved in the Follies and were unable to attend. Those who did come seemed to enjoy themselves.
