Ladies Association of Walden Newsletter
October 2020

We're Back!

Hello Ladies,
I hope this article finds you well and healthy! What unprecedented times we are experiencing right now. I know it is really taking a toll on some people so I hope we keep that in mind and be a little extra kind to one another.

I am very excited that we will be able to have our October luncheon, however, I received word this morning (9/17) that my fashion speaker will NOT be able to attend. I am fiercely looking for someone else, when I do an email blast will go out.

Unfortunately, I have further bad news, the CIA has cancelled our expo in November. I am trying to get it rescheduled for April but I am not getting a good response from our vendors that they will be able to do that.

I have been able to reschedule Jamie the magician for the January luncheon. The January luncheon **WILL NOT** be the first Friday of the month as that is New Years Day. It will be held the second Friday January 8th.

Should you have questions/comments or programs ideas that you would like to share with me please do not hesitate to do so. I do look forward to seeing everyone.

Many Blessings,

Laura Archibald

From the President...

This year has brought so many changes. Everyone sees the big picture. The change in our country, our states, our counties and our own cities. But for each of us there are personal changes as well. I miss seeing my family as often as I would like to. I miss heading to the Yacht Club for game day twice a week. I miss decorating the Club with the WSN committee for holidays and seasonal changes. And I really miss my L.A.W. activities. I missed my last two programs as Vice-President. I miss the busy activities necessary to help put the luncheons together. I miss making sure the sound system is working and having everything ready to go for our speakers and presenters. I miss grabbing a glass of punch or coffee before the meeting. I miss finding a seat at the table to place my papers and purse. I miss retrieving my name badge from the badge table, paying for my lunch and saying hello to all the ladies

working to get ready for all of you. I miss standing by the door and seeing your smiling faces as you come in and getting a big, sweet hug from each of you. I really miss you! And I haven't had an opportunity to put together an agenda so that the meetings run smoothly. I miss all of it! I was sad when the September luncheon was cancelled. But I'm really hoping that we get the 'green light' for our October meeting. And we have the possibility of some exciting events coming up. (So be sure to read Laura Archibald's articles for updates on these!) But most of all I'm hoping that if you take a moment you will see what I see... sunlight breaking through the clouds! I'm beginning to feel hope for a return to a more normal lifestyle. And part of normal is a return to monthly meetings, special outings, marathon bridge, and so much more from our Interest Group Committees! But one thing I'm not seeing is a

growth in membership this year. Only about a third of our ladies have renewed their memberships and I know a big part of this is the lack of getting together every month where many of you pick up and turn in your forms. So I'm extending our membership drive to November 15th of this year. And I want to make it easier for you to get them in should you still feel uncomfortable attending before the cutoff date. Be sure to check your mailboxes this month to find a letter detailing this information with an enclosed copy of this year's membership form and a pre-addressed, stamped envelope to mail it in. It doesn't get any easier than that! As I said before, I miss you all and hope to see you soon!

Friends in Deed

Diane Maguire broke her leg. A get well card was sent, and we had the opportunity to prepare meals for her and her husband on August 26, 28 and 30th. We appreciate Pat Reagan, Gaby Tyron, Janet Martin, Pat Davis and Bev Mannen for the wonderful meals.

Thank you ladies.

Social Bites

Cook It!

Social Bites met at Susan Conly's lovely water-front home for a TexMex medley including Mexican Chicken Casserole, Aroz del Verde, black beans with the requisite margaritas and sangria. It was a very lively group gathered round the dining table centered with a Mexican sombrero festooned with tiny individual flowering cactus plants that found their way home with guests. Enjoying the meal were Norma Reed, Elaine Herod, Shirley Savage, Jackie St. Cyr, Sandy Barron and Paulie Geiselhart. Here's wishing Jackie a very belated ninetieth birthday. She is one of the most active ladies around Walden.

Elaine Herold is hosting the October 13th gathering for a "Japanese Garden" themed luncheon. Too bad there isn't a Panda Express nearby or I would be picking up several orders of "Honey Sesame Chicken". Wonder if they would give me the recipe.
