DOWNSTAIRS YACHT CLUB SUFFERS MAJOR WATER DAMAGE!

LADIES ASSOCIATION MARCH MEETING & LUNCHEON CANCELLED

From the President...

Writing last month's article was one of the hardest ones I have written to date. I take no joy in cancelling our luncheons and February was no exception. I miss seeing all your beautiful faces and bright smiles. And just as we were starting to plan our March luncheon, we received news that the Yacht Club sustained extensive water damage downstairs due to the freeze we just recently experienced. Because of the damage we will not be able to move forward with those plans. And so, my hope for each one of you is that you are all doing well during these trying times and that you are

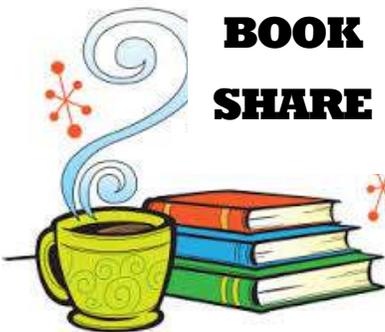

staying safe. It has been so heartwarming to hear how this community continues to come together to help those who had no electricity or water.

Not many neighborhoods can claim to have the caliber of help available that we have witnessed during these difficult times. It is such a joy to be a part of this community. Please take care of yourselves and I truly hope to see you in April!

~~~Brenda Badgett - LAW President

## BOOK SHARE

We hope you BookShare ladies have caught up on all your reading during the past year. It seems forever since we've meet. It has actually been a year. As most of us have received at least one Covid shot we will be trying to start back up this month on Wednesday, March 10th at 2:00 PM at Sandy Barron's home, 2815 Pine Arbor.

Bring along any of the MANY books you've been reading that you want to exchange or leave with me to take to the Library the next time the Friends accept books for the Book Nook.

Please RSVP me at 936-230-2831~~~Sandy Barron

Dear Ladies Association of Walden,

Carl and I would like to express our sincere thanks to the LAW Organization and it members for all the prayers and support that was provided to us while Carl was in the hospital followed by the rehab needed for his broken ankle.

We are truly blessed to have so many caring neighbors. We love being residents of this wonderful community.

Carl & Karla Seidule

## Social Bites

The recipe/luncheon group that has persevered during these Covid times is Walden Social Bites. Paulie Geiselhart hosted this month's luncheon this past Tuesday. Paula has been missing most of this year while traveling back and forth to Kentucky visiting her 99 year old father. She made a special effort to be back in Walden to host this month's Mardi Gras celebration with the ladies.

Appetizers of Louisiana hot shrimp dips, were followed by luncheon plated loaded high with jambalaya, maque choux, Cajun squash casserole, and dirty rice. A wonderful King cake from Montgomery Bakery finished off the feast. Enjoying the afternoon's "gossip, gripe and munch" session were Paulie, Norma Reed, Susan Conly, Elaine Herod, Shirley Savage, Dorothy Lauw, Jackie St. Cyr and Sandy Barron.  
 ~~~Sandy Barron

Friends in Deed

Hope all is well with you and you are staying warm in this very unusual weather.

Friends in Deed has sent two cards: Freddie Seale and Julie Faubel.

A meal was taken to Julie Faubel which she very much appreciated.

Special thanks to the wonderful ladies that prepared the meal goes to: Sheryl Triggs, Leslie Crouch, Janet Martin and Pat Davis.
 ~~~Phyllis Seidel
